Welcome to our 12th annual production!

Owner / Director / Teacher / Choreographer: Sandy Hunter Miller

I'm grateful to be able to bring a show to the stage for another year. Thank you to all of our staff and faculty members for sharing their love of dance with our dance students every week! The students have worked hard and the teachers have brought some of their best choreography to date. We are all growing in our daily journey of dance. I appreciate everyone who has chosen to be part of the Dancers' Corner Dance Family this season!

I have to say a huge and special thank you to my special dancer, Alex Miller! She has always been part of the show planning in some way due to being my daughter. This year, she helped with all aspects of planning the recital story, selecting costumes, listening to and picking music, assisting me in the junior company class, and choreographing her first ever dance, the Junior Company tap dance! I couldn't be prouder and have enjoyed every minute of having her by my side this season and watching her love of dance grow and develop into new aspects of the industry!
