Director’s Message:

Another year has come and gone... These past 13 years of owning the studio and creating our yearly story productions have had my heart! Each year creates new challenges. I used to teach all ages and the majority of the classes. As the years have passed, I’ve been blessed to add new teachers to our dance family each year. I’m extremely grateful for all the teachers who share their passion for dance weekly with all of our students. I truly couldn’t do it all without them. I appreciate everyone who has chosen to be part of the Dancers’ Corner Dance Family this season!

~ Mrs. Sandy

To my family: Alex Miller, Eric Miller, and David Hunter

Thank you for continuing to support my dreams! Our angel, my momma, still encourages me daily. I am so blessed to have my beautiful daughter, Alex, sharing my passion for dance and all the aspects of planning our recitals. Alex, I appreciate all of your help with planning and choreographing. It makes it so much more fun to share it with you! I can’t wait to watch you smile and have fun on the stage today!

~ Sandy / Mom

CONGRATULATIONS TO OUR GRADUATING SENIORS!

Congratulations to both of you! I cannot believe the two of you are off to college next year. You have both been such fun dancers to teach over the years. You've been part of large classes and small classes, danced with the older girls and become the older girls, and you have both grown so much in all styles and as beautiful young ladies. I will miss you both so very much next year!

~Mrs. Sandy
